## Motion to Appoint Counsel in Federal Court:

Now comes the plaintiff SALVATORE R. ROMANO, praying this court will grant his Motion, AND grant counsel to him, by Appointment of this Court.

## MEMORANDUM in Support of Motion to Appoint Counsel:

(Counsel can Breach the gap of Communication with this Court)

I, SALVATORE R. ROMANO, have written this court a complaint in July 2019. I Received R&R to follow court Rules. In my initial complaint, I stated the R.I. DIO.C. is taking my legal work, denying me law library, Access to this Court, AND opening my legal mail from this court. The R&R states all of my complaint is taken as true. It also states this court believes I CAN Recover under the circumstances. So if it is true, this court believes the facts of my complaint, what circumstances CAN I possibly Recover under, when my outgoing mail is stolen from the ACT US MAIL box? with no Response from this court, to even my next friend counsel. How CAN I Recover?

**Motion to Assign a Court Date:** Please assign me a court date for all (3)

Motions listed above, for September 4, 2020, or the next available Date.
